HAPPY NEW YEAR

About Resolutions

The idea of "twenty-four-hour living" applies primarily to the emotional life of the individual. Emotionally speaking, we must not live in yesterday, nor in tomorrow.

-AS BILL SEES IT, p. 284

A New Year: 12 months, 52 weeks, 365 days, 8,760 hours, 525,600 minutes — a time to consider directions, goals, and actions. I must make some plans to live a normal life, but also I must live emotionally within a twenty-four-hour frame, for if I do, I don't have to make New Year's resolutions! I can make every day a New Year's day! I can decide, "Today I will do this . . . Today I will do that." Each day I can measure my life by trying to do a little better, by deciding to follow God's will and by making an effort to put the principles of our A.A. program into action.

Remembering Doug G.

Rarely Have We Seen a Person Fail Who Has Thoroughly Followed Our Path.

How often do we read a passage in the Big Book and think it was written about us. Well, the above line could have easily been written about Doug. From the time I first met Doug, it was easy to see that he was a person who practiced these principles in all his affairs.

Acceptance, Hope, Faith, Courage, Honesty, Willingness, Humility, Responsibility, Love, Discipline, Awareness, Service.

That about sums up the Doug I knew. Throw in a bunch of Patience and Tolerance and it's no wonder that Doug is so widely respected and missed by all who knew him.
Rest In Peace, my friend.

What Is the "Birthday Club"?

Occasionally, people have questions about the purpose of the Birthday Club. Hopefully, this will clear up any confusion.

Many AA members refer to their sobriety date as their birthday in distinction from their physical birthday.

The Birthday Club is a means of celebrating an anniversary by making a donation to AA in gratitude. The suggested donation is $3.65 to mark a year of sobriety, Many choose to donate more according to their means.

Any member can join the Birthday Club at any time, although many choose to do so on or around their sobriety date.

Birthday Club members are an inspiration to remind all of us of the importance of gratitude as an essential part of sobriety.

God loveth a cheerful giver.

Step One: We admitted we were powerless over alcohol—that our lives had become unmanageable.
