In Loving Memory

Our beloved Virginia A. passed away peacefully on March 28th 2024 after a brief illness.

Miss Virginia began her journey in AA on March 24th 1986, staying committed to her recovery and living long enough to celebrate her 38th anniversary just four days prior to her passing. We will continue to remember her as a woman of integrity, grace, gratitude and wit, strong in her faith, devoted to helping others, especially the newcomer and the *many* women she sponsored.

She believed in staying active, taking various service commitments and leading the **Wonderful Saturday Step Group** as well as our area's annual 4th Step Workshop for over 25 years, living the Twelve Step program both in and outside of the fellowship. To say she will be missed hardly scratches the surface of the loss we all feel. Virginia will remain in our hearts and memories. We thank God for loaning her to us - as we sadly and lovingly give her back to Him.

Step Four

Made a searching and fearless moral inventory of ourselves.

Tradition Four

Each group should be autonomous except in matters affecting other groups or AA as a whole

Bill W. on our Fourth Tradition

“Nowhere in AA is there to be seen any constituted human authority that can compel an AA group to do anything...After struggling a few years to run the AA movement I had to give it up—it simply didn’t work. Heavy handed assertion of my personal authority always created confusion and resistance.”

“We had discovered that there was perfect safety in the process of trial and error. So confident of this had we become that the original statement of AA tradition carried this significant sentence: Any two or three alcoholics gathered together for sobriety may call themselves an AA Group provided that as a group they have no other affiliation. This meant, of course that we had been given the courage to declare each AA group an individual entity, strictly reliant on its own conscience as a guide to act...Every group has THE RIGHT to be wrong.”
