Please Support Your Intergroup

Central/Intergroup offices provide vital local services and Twelfth Step opportunities. All areas function independently and handle local A.A. services in the manner best suited to local needs. While G.S.R.s, D.C.M.s, area committees, area assemblies, and the General Service Conference are concerned with matters affecting A.A. as a whole, Central/Intergroup offices and answering services fill a different need. They handle local services only — such as coordinating local Twelfth Step calls, AA Hotline, providing meeting lists, and in some places furnishing public information speakers for non-A.A. groups and for A.A. meetings in institutions. Central offices and general service area committees are complementary, rather than competitive, A.A. operations. They exist to help insure A.A. unity and to fulfill A.A.'s primary purpose of carrying the A.A. message to the alcoholic who still suffers.

The West Pasco/Tarpon Springs Intergroup, like GSO, relies heavily on group donations for support. Our Intergroup's expenses often exceed the monthly donations we receive.

It is both an honor and a duty for groups and members to ensure the financial stability of not only their own group but also their intergroup/central office, local services, district, area, and the General Service Office. ***Although we have over 75 Groups in our Intergroup area, donations typically come from the same generous groups.***

I encourage you to discuss this topic in your next Group Business Meeting and inquire about the amount your group contributes to Intergroup. You may be surprised.

Step Six

Tradition Six

Were entirely ready to have God remove all these defects of character.

An AA Group ought never endorse, finance, or lend the AA name to any related facility, or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.

Tradition Six

The sixth of our Twelve Points of AA Tradition is deemed so important that it states at length the relation of the AA movement to money and property. This Tradition declares in substance that the accumulation of money, property, and the unwanted personal authority so often generated by material wealth comprise a cluster of serious hazards against which an AA group must ever be on guard.

Tradition Six also enjoins the group never to go into business nor ever to lend the AA name or money credit to any "outside" enterprise, no matter how good. Strongly expressed is the opinion that even clubs should not bear the AA name; that they ought to be separately incorporated and managed by those individual AAs who need or want clubs enough to financially support them.

We explain that easily enough; we don't need money. The core of AA procedure is one alcoholic talking to another, whether that be sitting on a curbstone, in a home, or at a meeting. It's the message, not the place; it's the talk, not the alms. That does our work. Just places to meet and talk, that's about all AA needs. Beyond these, a few small offices, a few secretaries at their desks, a few dollars apiece a year, easily met by voluntary contributions. Trivial indeed, our expenses!

Nowadays, the AA group answers its well-wishers saying: "Our expenses are trifling. As good earners, we can easily pay them. As we neither need nor want money, why risk its hazards? We'd rather stay poor. Thanks just the same!
