BACK TO BASICS WORKSHOP

"Rarely have we seen a person fail who has thoroughly followed our path!"

September 21st 2024 9:00am-5:00pm

Back-to-Basics is the Step-by-Step original Alcoholics Anonymous Beginners Meeting format that produced a 50% to 75% recovery rate from alcoholism during the 1940's, by working the 12 steps in 4-1 hour sessions. This workshop will emphasize taking these steps so one can start living this program of recovery.

Step Seven

Humbly asked Him to remove our shortcomings

Tradition Seven

Every A.A. group ought to be fully self-supporting, declining outside contributions.

Tradition Seven

SELF-SUPPORTING alcoholics? Who ever heard of such a thing? Yet we find that's what we have to be. This principle is telling evidence of the profound change that A.A. has wrought in all of us. Everybody knows that active alcoholics scream that they have no troubles money can't cure. Always, we've had our hands out. Time out of mind we've been dependent upon somebody, usually money-wise. When a society composed entirely of alcoholics says it's going to pay its bills, that's really news.

Probably no A.A. Tradition had the labor pains this one did. In early times, we were all broke. When you add to this the habitual supposition that people ought to give money to alcoholics trying to stay sober, it can be understood why we thought we deserved a pile of folding money. What great things A.A. would be able to do with it! But oddly enough, people who had money thought otherwise. They figured that it was high time we now—sober—paid our own way. So our Fellowship stayed poor because it had to.
