February 2026

HAPPY Valentine's DAY

I want to give a **BIG THANK YOU** to all the groups for this month's contributions. This is the best month we have ever had and it's all because of you!!! Contributions and literature sales are up all around. We are now able to start building our prudent reserve and our moving fund. (*More info about our upcoming move coming soon!)*

Let's keep up the momentum to keep Central Office and AA in West Pasco thriving so that we can continue to help the sick and suffering alcoholic.

Yours in love and service,

Sandy C.

INTERGROUP OUTREACH COMMITTEE

Intergroup has formed an Outreach Committee, created to strengthen connections and encourage Group participation in Intergroup.

When: Wednesday, February 25, 2026 – 7:00 PM
Where: Central Office - 7121 US 19, New Port Richey, Florida, 34652

This is your chance to help carry the message, grow unity, and reach members and Groups who may not yet be connected. Whether you're new to service or an old-timer, your ideas and enthusiasm are needed!

Come share your experience, lend a hand, and be part of building something meaningful.

Step Two - Tradition Two

Step Two: Came to believe that a Power greater than ourselves could restore us to sanity.

At this point of recovery, it is not necessary to define the Power greater than ourselves, we only needed to believe—or be willing to believe—that there is something greater than ourselves that can help us. We have admitted that we are powerless over alcohol. Our trouble lies in the fact that our own thinking had become unreliable. When it comes to alcohol, we could no longer distinguish the true from the false. Step Two suggests a simple solution: if self-reliance had failed, perhaps reliance upon a Power greater than ourselves could succeed. We saw evidence of this Power in the recovery of other alcoholics. Their restoration to sanity was proof enough. As we become open to this idea, resistance begins to fade, and willingness increases. From that small beginning, a new way of thinking can begin to take hold.

Tradition Two: For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

Early experience taught the founders that whenever individuals attempted to direct AA by personal authority, unity was threatened. Leaders are chosen for service; they guide by example and carry out the group's will, but they do not rule. This tradition protects the fellowship from pride, ambition, and division. By placing ultimate authority in a loving God, as He may express Himself in our group conscience, AA remains united. In this way, the program avoids dominance by individuals and continues to function simply, effectively, and spiritually.
