Central Office Moving Fund

It has become clear that Central Office must relocate. Mold, never properly addressed after recent hurricanes, continues to cause health problems for our volunteers and staff. Ongoing air conditioner issues and an unresponsive landlord have added to our challenges. Now that our finances are stabilizing, we are moving forward to find a safe, accessible office that is less prone to flooding.

To make this possible, we have established a **Moving Fund**, supported by generous donations from AA members throughout the District. Regular Group 7th Tradition contributions are used only for day-to-day operations, so we've asked groups to consider passing a second basket specifically for the Moving Fund. So far, we have raised **$1,070**, but we anticipate needing about **$5,000** to cover the costs of the move. Please help us reach this goal and create a healthier future for Central Office.

STEP 3 - TRADITION 3

Step Three – “Made a decision to turn our will and our lives over to the care of God as we understood Him.”

In Step Three we make a decision. After seeing in Step One that we are powerless and in Step Two that a Power greater than ourselves could restore us to sanity, we now choose to turn our will and our lives over to the care of God as we understand Him. The Big Book tells us that self-will run riot is the root of our troubles. We have been playing God, and it has not worked. With Step Three we place ourselves in God’s hands, asking Him to relieve us of the bondage of self and to direct our thinking. As the 12 and 12 says, this step opens the door to faith. We let go absolutely, trusting that our Creator will provide what we need if we keep close to Him and perform His work well.

Tradition Three – “The only requirement for A.A. membership is a desire to stop drinking.”

Tradition Three assures us that our Fellowship is bound together by a simple requirement: a desire to stop drinking. We are not concerned with how much a person has drunk, what they have done, or how low they have gone. The 12 and 12 reminds us that we cannot measure another’s sincerity; we leave that to them and to God. Our responsibility is to keep the door open. Experience has proven that unity grows when we extend acceptance. We do not exclude anyone. If someone says they want to stop, we welcome them. This Tradition protects us from judgment and authority over others. It preserves humility in our groups and keeps A.A. a place where any alcoholic may find hope and fellowship.
