UPCOMING EVENTS

STEP 8 - TRADITION 8

Step 8: "Made a list of all persons we had harmed, and became willing to make amends to them all"

" This step involves looking at the wreckage of our past. In Step 4 we identified the nature of our wrongs and with that information, we identify everyone we have hurt and create a list of names. The 12 and 12 indicates this step "separates the men from the boys," because willingness is the critical here. We may still carry resentment toward someone we harmed, or shame that makes us want to skip a name. We work through that resistance with prayer, asking for the willingness even before we feel it. The intent is to create an honest and thorough list with a sincere heart and the willingness to go to any lengths to set things right.

Tradition 8: "Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers"

This tradition prevents the heart of AA, one drunk helping another, from involving money changing hands. Twelfth Step work is never to be paid for. Sponsorship is freely given out of gratitude and the desire to stay sober. As the Twelve and Twelve indicates, AA does hire some special workers, such as Intergroup office coordinators, to handle the practical business that keeps the organization running. They're paid for specific work, not for carrying the message itself. That distinction is designed to ensure that no alcoholic ever has to wonder if the hand reaching out to help has a price tag attached.
