UPCOMING EVENTS

STEP 10 - TRADITION 10

Step 10: "Continued to take personal inventory and when we were wrong promptly admitted it."

This step keeps us fit in our daily spiritual condition. The Big Book calls for continuing to watch for "selfishness, dishonesty, resentment, and fear," catching them as they arise rather than letting them pile up. When we're wrong, we promptly admit it — no waiting, no rationalizing. Maintenance of this daily habit keeps yesterday's progress from unraveling. The 12 and 12 says this step is about growth in "emotional sobriety," discussing things "at once" rather than nursing them. Practiced faithfully, it keeps our house clean and our relationships honest, one day at a time.

Tradition 10: "Alcoholics Anonymous has no opinion on outside issues; hence the AA name ought never be drawn into public controversy."

This tradition protects our singleness of purpose. We don't take sides on politics, religion, or reform — not because we lack opinions as individuals, but because AA as a whole will not survive being pulled into public controversy. The 12 and 12 reminds us that unity is more important than being right about outside matters. We stay silent on everything except one message — recovery from alcoholism. This neutrality keeps our doors open to every alcoholic, whatever their beliefs, and keeps the focus fixed on the one thing we can offer.- *Janice*
