STEP 11 - TRADITION 11

Step 11: "Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out."

This step is about daily spiritual growth — keeping the connection we built in earlier steps alive and continuously increasing. The Big Book suggests we review our day each night, and in the morning "ask God for direction" before plunging into activity. Prayer and meditation become tools and daily habits as we repeatedly ask for guidance and strength. The 12 and 12 reminds us this step deepens our relationship with a Higher Power "as we understood Him," giving us the clarity and willingness to carry out His will, one day at a time.

Tradition 11: "Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films."

This tradition protects AA from the pitfalls of publicity. The program speaks for itself through "attraction rather than promotion." The 12 and 12 warns that self-promotion by individual members, however well-meaning, risks the whole fellowship's integrity, especially if that member later slips. So we guard personal anonymity at the public level, letting the results of sobriety, not personalities, draw in newcomers. Humility, not publicity, keeps AA trustworthy and safe for every alcoholic who still suffers.
